

PART 2.

Street Outreach and Emergency Shelter

Street Outreach and Emergency Shelter addresses service delivery and effectiveness of applicants with regard to each program component and/or the combination of both ESG activity components.

If requesting ESG funds for Street Outreach and/or Emergency Shelter activities, answer corresponding questions below for which the applicant is requesting funding.

Applicant Name	
-----------------------	--

STREET OUTREACH

Directions to complete the following chart:

Place an "X" in each box below for the services related to each component the applicant will provide directly, and the services/resources for which the applicant will refer participants to others.

DIRECT SERVICE AND REFERRALS		
Street Outreach	Direct Service	Referral Only
Engagement		
Case management		
Emergency health treatment		
Mental health services		
Transportation		
Services for special populations		

1. Briefly describe your outreach program.

2. How does your outreach program connect unsheltered individuals to available targeted supportive services?

3. Describe the applicant's capacity to immediately house unsheltered persons encountered on the street or connect them to shelter?

WVCAD Use Only:

*(Information provided by CoC from applicant's HMIS data from reporting period July 1, 2019-June 30, 2020 as part of **FORM B – CoC Review and Recommendation.**)*

Number of households served by Street Outreach activities: _____

Number of households reaching emergency shelter: _____

Number of households connected to permanent housing options: _____

EMERGENCY SHELTER

Directions to complete the following chart:

Place an "X" in each box below for the services related to each component the applicant will provide directly, and the services/resources for which the applicant will refer participants to others.

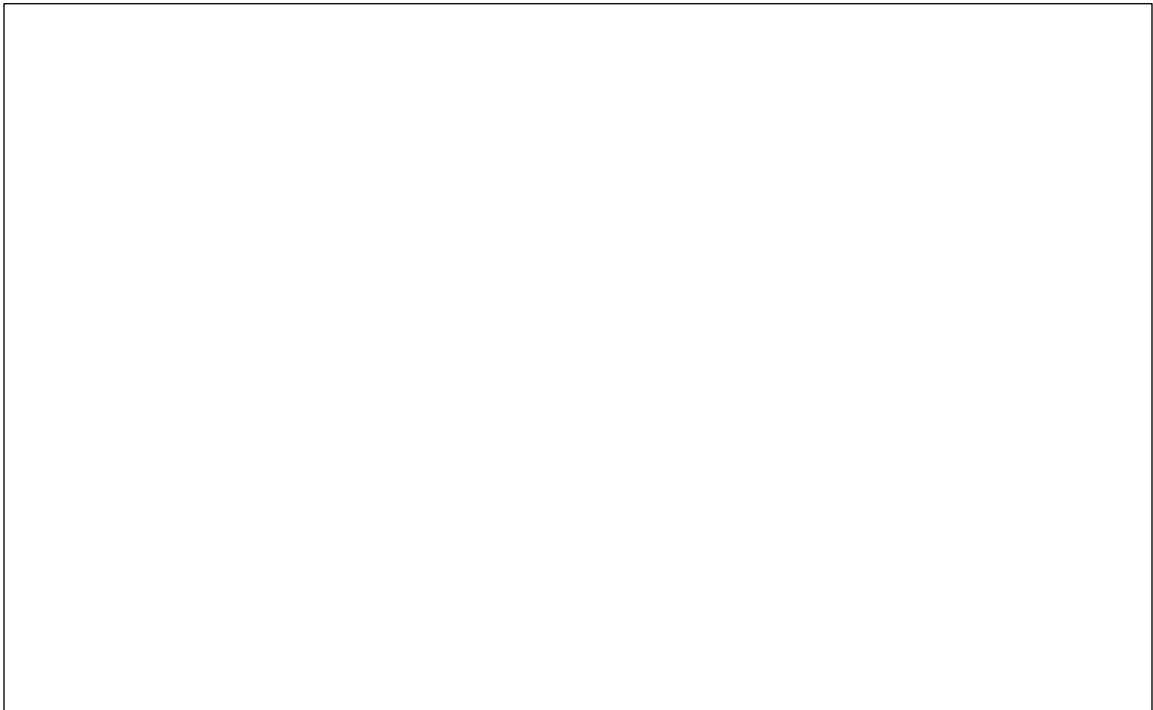

DIRECT SERVICE AND REFERRALS		
Essential Services	Direct Service	Referral Only
Case Management		
Child Care		
Education Services		
Employment assistance and job training		
Outpatient health services		
Legal services		
Life skills training		
Mental health services		
Transportation		

1. Describe how the applicant will use Emergency Shelter funds to assist program participants in moving to stable housing and link them to resources that will increase their ability to maintain stable housing once ESG assistance ends.

2. What are the strategies for prioritizing services, removing barriers to services and using diversion?

3. What rapid re-housing services available on-site? (If the applicant does not provide on-site rapid rehousing services, describe how those services are provided through another agency including any existing memorandums of understanding.)

4. What is the average length of stay for a person sheltered in the facility from July 1, 2019 to June 30, 2020?

5. What is the total number of homeless persons sheltered from July 1, 2019 to June 30, 2020?

6. Of the total number of homeless persons sheltered in during this time period, how many of those moved into a permanent housing destination?

7. Of the total in number of homeless persons sheltered in 2019, how many returned to the streets or exited to an unknown destination?

WVCAD Use Only:

*(Information provided by CoC from applicant's HMIS data from reporting period July 1, 2019-June 30, 2020 as part of **FORM B – CoC Review and Recommendation.**)*

Number of households served by emergency shelter activities: _____

Number of households entering rapid re-housing program: _____

Number of households attaining permanent housing and remaining in unit more than 3 months: _____
