

ARC Non-Construction Project Application Checklist

All applicants requesting ARC investment funding should use this checklist to develop a complete project application. The framework for the checklist is based on [ARC's 2022-2026 Strategic Plan](#), which emphasizes strategic focus, collaboration, sustainability, and measurable impact. Words in bold identify materials that should be included as supporting materials.

List the page in your application where the required information can be found in the blank space next to each section and subsection. Submit completed applications to your state's ARC program office.

SECTION 1: Transmittal Letter (usually provided by the state upon recommendation to ARC).

SECTION 2: REQUIRED APPLICATION FORMS, Pages #____

**Please Note: Applicants must be registered in System for Award Management (SAM) and have an active Unique Entity Identifier (UEI). UEIs need to be renewed every year; any lapse may result in deactivation which may take months to remedy. See <https://sam.gov/content/duns-uei> for more information.*

- Federal Standard Form 424: Application for Federal Assistance (include ARC funds and all matching funds; applicant match must be placed in the "local" line item)
- Federal Standard Form 424A: Budget Information for Non-Construction Programs
- Federal Standard Form 424B: Non-Construction Assurances
- ARC Memorandum of Understanding (MOU) (see <https://www.arc.gov/resource/memorandum-of-understanding/>)
 - Broadband as a Service (BaaS) applications require a project-specific MOU in addition to the standard ARC MOU. Both forms may be found at the link above.
- Any forms required by state ARC program offices (ARC Form 3 may be required)

Find all required forms on ARC's website <https://www.arc.gov/resource/standard-forms-for-non-construction-applications/>

SECTION 3: EXECUTIVE SUMMARY, Page #____
