Application

West Virginia Development Office

## APPLICATION INSTRUCTIONS

### A. INTRODUCTION

In response to the Coronavirus Pandemic (COVID-19), the U.S. Department of Housing and Urban Development (HUD) allocated the State of West Virginia \$11,872,752.00 in CDBG-CV Statewide Cities and Counties.

This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed on March 27, 2020. A Notice of Program Rules, Waivers, and Alternative Requirements Under the CARES Act for Community Development Block Grant Program Coronavirus Response Grants, Fiscal Year 2019 and 2020 Community Development Block Grants and Other Formula Programs was published on August 7, 2020. Supplementary information and resources are available at <https://www.hudexchange.info/programs/cdbg/disease/> and <https://www.hudexchange.info/resource/6113/fr-6218-n-01-notice-of-program-rules-waivers-alt-requirements-under-cares-act-cdbg/>. Additionally, the State of West Virginia amended FY2019 Annual Action Plan is available at <https://wvcad.org/resources>.

The State of West Virginia Department of Community Advancement and Development (WVCAD), a division of the West Virginia Development Office, is accepting applications from qualifying Units of General Local Government (UGLG) to help in the prevention of, preparation for, and response to the Coronavirus in communities throughout the State. All applications that meet a National Objective, Eligible Activity, **AND** prevent, prepare for, or respond to the Coronavirus will be reviewed. WVCAD is making funding available for applicants in the following categories:

- Public Facilities
- Public Services
- Planning

### B. AVAILABLE FUNDING

CDBG-CV funds are available to qualifying public facility projects, public services and planning activities serving residents State-wide with at least 51% benefit to low- to moderate-income persons. Please note, only allowable costs beginning January 21, 2020 are eligible.

### C. FEDERAL HUD REGULATIONS

1. **NATIONAL OBJECTIVES:** To be considered for CDBG-CV funding a program or project must Benefit Low- to Moderate-Income Persons:

#### **Benefit Low to Moderate Income (LMI) Persons**

To qualify for funding under the LMI category, the persons or households served must have income levels at or below 80% of the *area median income* (AMI). HUD requires stratified income data on beneficiaries. Applicants will need to report which category beneficiaries fall into below 80% of AMI, 50% of AMI or 30% of AMI. 2020 HUD Low to Moderate Income Guidelines for each county in the State of West Virginia can be found at the following location:

<https://www.huduser.gov/portal/datasets/il.html#2020>

**There are three approaches for meeting the Low to Moderate Income qualifications:**

1) ***Low to Moderate Income (LMI)***: an activity which provides benefits to a specific group of persons of which at least 51% of the beneficiaries of the activity qualify as LMI persons earning less than 80% of the area median income as defined located at HUD exchange for each county. To qualify, all individuals must establish, by means of financial information on *household size and income*, that *at least 51%* of the clientele are persons whose household income does not exceed the LMI limit.

2) ***Low to Moderate Income Limited Clientele (LMC)***: There are certain populations that HUD presumes to be low to moderate income. For programs serving these populations, income data does not need to be collected, but race and ethnicity do. Limited clientele populations include *abused children, elderly persons, battered spouses, homeless persons, severely disabled adults, illiterate adults, persons living with AIDS, and migrant farm workers*.

3) ***Low to Moderate Income Area Benefit (LMA)***: an activity which is available to benefit all the residents of an area, in which at least 51% of the households are low- to moderate-income, qualifying under HUD guidelines. HUD has identified neighborhoods eligible to receive funding based on income data provided by the census and American Community Survey.

**Benefit to Low- to Moderate- Area-Wide (LMA) Benefit: Refer to 24 CFR 570.483(b)(1)(i) and HUD CPD Notice 14-10 and 19-02.**

### 3. Duplication of Benefits Calculation

The CARES Act provides that the Secretary shall ensure there are adequate procedures in place to prevent any DOB as required by section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5155), as amended by section 1210 of the Disaster Recovery Reform Act of 2018 (division D of Public Law 155-254; 132 Stat. 3442). HUD is requiring that each Grantee have procedures to prevent the duplication of benefits when it provides financial assistance with CDBG-CV funds.

Federal disaster law prohibits the provision of federal assistance in excess of the need. Before paying a cost with federal disaster assistance, WVCAD must check to see that the assistance will not cause a duplication of benefits, meaning that the cost has not or will not be paid by another source. HUD grantees are required to prevent the duplication of benefits when carrying out HUD-funded programs to provide disaster assistance, including CDBG CARES Act funds.

#### 4. Tie-back to COVID-19 Pandemic

Applicants must demonstrate, through the application process, the direct tie-back to the COVID-19 Pandemic. The need and/or direct impact from the pandemic must be clearly and concisely described and documented. CDBG-CV funding is only available for eligible activities that address the prevention of, preparation for, or response to the Coronavirus.

### G. RESERVATION OF RIGHTS

The West Virginia Community Advancement and Development (WVCAD) Office reserves the right, at its sole discretion, to recommend all, a portion, or none of the available CDBG-CV funding, and may reject any and all proposals based on the quality and/or merits of the proposals, or when it is determined to be in the public interest to do so. Furthermore, the State may extend deadlines, timeframes and have subsequent Request for Proposal contingent on available CDBG CARES Act funding, as needed.
