

WEST VIRGINIA EMERGENCY SOLUTIONS GRANT

PY26: PART 4. Homeless Management Information System (DV Shelter Comparable Database)

Homeless Management Information System (HMIS)/DV Shelter Comparable Database addresses service delivery and effectiveness of applicants with regard to this ESG activity component.

If requesting ESG funds for HMIS/DV Comparable Database, answer the following questions.

Applicant Name	
-----------------------	--

1. Briefly describe the equipment and/or personnel costs associated with this request for funding.

--

2. How many HMIS/DV Comparable Database positions are funded in the applicant's agency? Please include position titles.

--

3. What portion or percentage of the HMIS/DV Comparable Database costs are paid for by CoC funds? Please explain.

4. What other funds are available to support HMIS/DV Comparable Database? Please explain funding sources and total funding available to applicant.
