West Virginia CDBG Program

General Guidelines

OVERVIEW

The Community Development Block Grant (CDBG) program is a program of the U.S. Department of Housing and Urban Development (HUD). The primary objective of Title 1 of the Housing and Community Development Act of 1974, as amended, is to develop viable communities by providing decent housing, a suitable living environment, and expanded economic opportunities, principally for persons of low- to moderate-income. All projects funded through this program must fulfill one of the following National Objectives:

- Benefit low- to moderate-income persons
- Aid the prevention or elimination of slums or blight

The 2020-2024 CDBG Consolidated Plan for the State of West Virginia, as approved by the U.S. Department of Housing and Urban Development, has identified the following community and economic development objectives:

- Support the development of viable infrastructure systems to improve living conditions and bolster economic development.
- Improve quality of life by enhancing public facilities and eliminating factors that affect environmental quality or public health.
- Develop local strategies through community planning to support improved living environments and strengthen economic and community development.

AWARD AMOUNTS AND INELIGIBLE ACTIVITIES

Community Advancement and Development (CAD), a division of the West Virginia Department of Economic Development (WVDED), is now accepting applications that focus on the above identified community and economic development objectives. CDBG funding is limited and competitive. Maximum amounts that may be requested are as follows:

- Infrastructure projects: \$3,000,000 maximum
- Sidewalks, Streetscapes, and ADA curb cuts: \$500,000 maximum
- Parks/recreational facilities: \$500,000 maximum
- Demolition of blighted/abandoned properties: \$500,000 maximum
- Planning grants: \$500,000 maximum

Funds for planning grants are limited and requests should be focused on the priorities listed above, particularly infrastructure projects (water, sewer, stormwater).

Ineligible activities for State CDBG funding:

- Government Buildings
- General Government Expenses
- Political Activities
- Purchase of Equipment, Furnishings, or Personal Property
- Operating and maintenance expenses

For all application types, matching contributions are not required but strongly encouraged. Projects with committed match at the time of application are more competitive and will receive additional points when scored.

CONTRACT TERMS

Projects are granted a performance period dependent upon the project type, as follows:

- Infrastructure (water/sewer/storm sewer): Three (3) years
- Parks and Recreation, Sidewalks, Streetscapes, and ADA curb cuts: Two (2) years
- Demolition: One (1) year
- Planning: One (1) year

In some cases, one-year extensions **MAY** be approved after the extension request process has been completed (at the discretion of WVCAD).

POST AWARD CRITERIA

WVCAD reserves the right to award an amount in CDBG funds less than requested depending upon the availability of funds and may reject any or all proposals based on the quality and/or merits of the proposals. WVCAD reserves the right to substantiate any applicant’s qualifications, financial information, capacity, and past CDBG performance if applicable.

Post Award Criteria Recipient Criteria including but not limited to:

- Awards are subject to 24CFR570, 2CFR200, local/WV State laws and Federal Crosscutting requirements.
- Monitoring each grant recipient ensuring compliance with applicable regulations and laws.
- Recipient shall not incur any costs or obligate any CDBG funding until a release of funds is received from the HUD and the WVDED, a contract between The West Virginia Department of Economic Development (WVDED) and the recipient is executed, and an environmental review is complete. No choice limiting actions will be funded.
- Recipients will be asked to provide a final summary reporting all accomplishments and low- to moderate-income benefit data to be provided to the State and the public. Final payment for Project Management Fee will not be issued until the project has been monitored by WVCAD and the Final Performance Report (FPR) has been submitted and approved.
- Other requirements as contained in the Subrecipient agreement executed with WVDED.

PAYMENTS

Requests for Payment should be submitted monthly, no less than quarterly, and must include all required invoices and documentation to substantiate costs, to the West Virginia Community Advancement and Development Office for approval and remittance. CDBG funds are not paid to Grantees before costs are accrued, except for WVCAD review and approval of pre-award costs. Grantees must be financially suited to cover initial costs in anticipation of reimbursement.
